Requesting for assistance for the welfare of
my disabled son.

My eldest son K.W. Noopura Isindu is disabled due to a spinal cord surgery. His feet are not functioning and he cannot control his pass of motions. Due to these reasons he has been medically advised to use a wheel chair. We are also in need of pampers and no. 10 catheter.

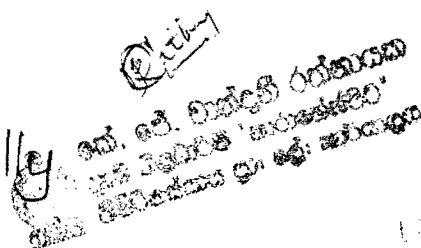

I am a house wife, my husband K.W. Steven is working at the Water Board as a clerk, I also have a younger son K.W. Koojana Gamindu who is eight years. We are financially unable to assist my ten year old son.

I would greatly appreciate if your prestigious company would be able to assist my son in his welfare.

Thanking You,
Yours Faithfully

Sir,

Thanking you for the assistance

I greatly appreciate your prestigious company for assisting my son by handing over a wheel chair at the request made by me.

We are financially not in a position to give a helping hand for the needs of my disabled son. Furthermore I would greatly appreciate your assistance in the future.

I would like to thank you once again on behalf of my son and the family for the assistance extended to us.

Thanking You,
Yours Faithfully
